From I-5 North

Corbett Avenue exit (exit 298), turn right onto Corbett. Go down the hill to 4-way stop, turn left on Boundary, then left again onto Macadam at traffic light. Stay in left lane. Just past John's Landing Automotive, get into the left turn lane (you will be looking up the hill on the left side - this is Kelly Avenue). Once on Kelly, we are the third building on the right.

I-5 South

Take the Lake Oswego Hwy 43, Macadam Avenue exit. After the light at Hamilton, look for brick building on your right (this is the corner of Macadam and Kelly Avenue). Hard right turn up the hill onto Kelly. We are the third building on the right.

Highway 26 Eastbound (from the West)

Hwy 26 eastbound toward Portland, take City Center exit (Market Street) and follow it all the way down to Naito Parkway/Front Avenue. Right on Naito Parkway, follow the signs for Highway 43 (Macadam Avenue). After the light at Hamilton, look for brick building on your right (this is the corner of Macadam and Kelly Avenue). Hard right turn up the hill onto Kelly. We are the third building on the right.

From Downtown Portland via Barbur Boulevard

Barbur Boulevard south, turn left at the light at Hamilton (Swan Market is on the left). To 4-way stop, turn right. Follow Corbett to bottom of hill, left at 4-way stop (Boundary Street). Go down the hill to 4-way stop, turn left on Boundary, left again onto Macadam at the traffic light. Stay in left lane. Just past John's Landing Automotive, get into the left turn lane (you will be looking up the hill on the left side - this is Kelly Avenue). Once on Kelly, we are the third building on the right.

From SE Portland - Ross Island Bridge

Go over the Ross Island Bridge, take the Salem 1-5 Exit. Follow Hwy 43/Macadam signs. After the light at Hamilton, look for brick building on your right (this is the corner of Macadam and Kelly Avenue). Hard right turn up the hill onto Kelly. We are the third building on the right.

From Sellwood

Take Tacoma Street to the Sellwood Bridge. Follow Macadam Avenue north for about 3 miles. Just past John's Landing Automotive on the left, get into the left turn lane (you will be looking up the hill on the left side - this is Kelly Avenue). Once on Kelly, we are the third building on the right.
